

...they didn't yet ^{know} about the WEIRD CURVE, yet unbeknownst to them, it had already begun its TWIST

They would not realize until sometime later that this meeting and its by-products seemed destined to veritably rock not only the lives of each but also the very community through the artful manifestation of the wildly creative, utterly bizarre dynamic energy spontaneously and uncontrollably generated between them, needing only proximity to be triggered.

Although this may seem unclear, ambiguous, full of fleeting generalities, it is not. I can't remember what I was saying, but that is the nature of..... the WEIRD CURVE.
